Acting Commissioner Jane Henney, M.D.
FDA
5600 Fishers Lane
Rockville, MD 20857

Dear Dr. Henney,

I am writing to insist that the Food and Drug Administration immediately suspend Monsanto's license to sell rBGH until tests have adequately proven its safety. I am terribly concerned about the safety of our food, especially when the food is recommended as "healthful" to children and pregnant women.

Thank you.

Sincerely,

Jane Sutcliffe Franzak
